PLEASE HELP!!

I just purchased this Strategy Guide. I got the replays added to the game but I didn't get the "Commentary" folder added to my steam\steamapps\common\crimson clover\ folder like I was supposed to.

So I don't have the 76 page strategy guide.

I'm not sure where to post this problem to get it fixed. Any help anyone??. A very niche DLC item that is great for those who like collecting Superplay DVDs. Even so, this is an item that is best bought on sale.
